

Serving the Counties Of
Los Angeles, Orange,
Riverside & San Bernardino

Vaccination/Waiver Form

All Medical personnel, who could be reasonably anticipated as the results of performing their job duties to face contact with blood and other potentially infectious materials, should be vaccinated for the following:

- TB Skin Test/ Chest X-Ray
- Hepatitis B
- Influenza
- MMR (Measels, Mumps, Rubella)
- Tdap/TD

Central City Community Health Center provides medical insurance for full-time employees. When making an appointment, explain that you are working in a medical office and require the vaccine. Appointments may be made during work hours. Verification of the vaccination will be required.

Part-time employees and volunteers who do not have medical insurance will receive the vaccinations by Central City.

I understand Central City Community Health Center's policy, as it is related to the above vaccinations.

I have proof of the following Vaccines and will bring verification to the clinic (please provide copy of proof). Please check all that apply.

- TB Skin Test/ Chest X-Ray (Mandatory)
- Hepatitis B
- Influenza
- MMR (Measels, Mumps, Rubella)
- Tdap/TD

I refuse to receive the vaccinations. I understand that Central City Community Health Center will not assume liability should I become ill. I may choose to receive the vaccinations at a later date. Please check all that apply.

- Hepatitis B
- MMR (Measels, Mumps, Rubella)
- Tdap/TD
